## 2024 Membership Form & Insurance Indemnity

*Dear Member,*

Due to the weed problems the club has experienced in recent years the board of Welton Water Sports is proposing that club memberships are paid in two parts this year. The first payment, payable now, will cover membership up to the end of June. A further payment will be requested in July to cover membership for the second half of the season. The second payment will only be requested if the pond remains clear enough for a sailing program to be run.

As you will be aware from separate communications the lake has again been treated with blue dye this year so we are hopeful the weed will be kept under control. At present the lake is completely clear for sailing.

The table below gives the total that will be payable if we sail the full season. The Board have again set a discounted membership fee this year due to the disruptions to recent seasons.

On the right-hand side of this page, we present the amounts due for the first and second payments. The membership form overleaf only presents the fee due now, and a further form will be circulated in June if the lake remains clear.

***The membership form and the completed insurance declaration must be returned to John Topliss. Payments must be made by BACS.***

---

Members of the Club, their guests and visitors, use the Club premises and any other facilities of the Club, entirely at their own risk and impliedly accept that;

- The Club will not accept any liability for any damage to, or loss of, any property belonging to members of the Club, their guests and visitors.
- The Club will not accept any liability for personal injury arising out of the use of, the Club premises, the Club Boats, the Club Equipment or any other facility provided by the Club, or out of participation in any race organised by the Club, whether sustained by members, their guests or visitors, whether or not such damage or injury could have been attributed to, or was occasioned by, the neglect, default or negligence of any of the officers, committee or servants of the Club.
- Before inviting any guests or visitors onto the premises, or to participate in events organised by the Club, members must draw their attention to these rules, and to the safety rules of the Club. A copy of the Club's safety policy is available from the Sailing Secretary.
- The race organisers shall not be liable for any loss, damage or personal injury, howsoever caused, to the owner/competitor, his skipper or crew, as a result of their taking part in the race or races. Moreover, every owner/competitor warrants the suitability of his boat for the race or races.

### **Safety**

The safety of any boat, its fitness to sail and its management ashore and afloat is entirely the responsibility of the persons using it. Regard should be taken of the prevailing conditions and the abilities of all those involved when deciding whether to sail or continue sailing. All craft must provide sufficient buoyancy for all persons on the craft. All persons must in addition wear adequate personal buoyancy when afloat in any craft, on the jetties or near the water edge.

Nothing done by the organisers can reduce the responsibility of those sailing, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of any person sailing. The organisers encompass everyone helping to run events, and include the organising authority, race committees, race officers and those manning rescue craft.

Although the Club will endeavour to provide rescue facilities during Club racing and certain other organised sessions and events, safety on the water is entirely the responsibility of the persons sailing, (or in the case of children, their parent or guardian.) Members should sail only when a competent person is present and when weather conditions are suitable. Irrespective of their level of competence, members are advised not to sail unless at least one other boat is on the water. Recreational swimming is not allowed.
